2. On 11/22/2010, the International Trade Commission ("ITC") published in the Federal Register (75 FR 71146, dated 11/22/2010) its final determination notifying the Department of Commerce that imports of seamless refined copper pipe and tube from the People's Republic of China threaten the U.S. industry with material injury. Accordingly, all entries of subject merchandise that were entered or withdrawn from warehouse for consumption before 11/22/2010 were liquidated without regard to antidumping duties (i.e., release all bonds and return all cash deposits) under message number 0328310, dated 11/24/2010.
3. The notice of the lifting of suspension of liquidation for entries of subject merchandise covered by paragraph 1 occurred with the publication of the final results of administrative review (78 FR 35251, 06/12/2013). Unless instructed otherwise, for all other shipments of seamless refined copper pipe and tube, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current cash deposit rates or per-unit amounts.
4. The injunction with court number 13-00237 in message number 3184303 dated 07/03/2013 is applicable to the entries exported by Golden Dragon Precise Copper Tube Group, Inc. during the period 11/22/2010 through 10/31/2011. 5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not

applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

6. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
